## VOL. 1 | JULY 2021

# IN THE SADDLE

Quarterly newsletter from Ipswich Bicycle Club

#### Welcome from the Chairperson

I'm delighted to write to you all to launch our first newsletter. The past 18 months or so have been a real challenge for us all and I hope that as a club, we can begin to get back to some level of normality. We all recognise how important cycling is for our mental and physical wellbeing and I'm really looking forward to cycling with many of you very soon.

**Tracy McKenzie** 

- Welcome from the Chairperson
- Announcements from survey
- Key dates for your diaries
- Kudos

We are trialling a quarterly newsletter called 'In the saddle'.

In each edition, we'll bring you news from across the club.

From secretary reports to upcoming events we want to keep you up to date!

We'd love to hear from you. Got an idea for an event, or something you'd like the club to do? Any ideas you want to put forward to the club, drop us a note on our Facebook page

## **Exciting times ahead!**

As you know, we carried out a survey recently to find out what we do well as a club and what we could develop further. Thank you for your responses.

Broadly you told us that:

- Club membership is value for money, but we could do more
- You'd like to see more organised club events
- We should encourage more people into cycling across varying disciplines

The committee have been thinking hard about what more we could do to address the points drawn out in the survey; little things and big things.

So, starting this year, we have committed to set aside a significant amount of our yearly membership income to fund club events and provide other membership benefits. We are happy to announce the following exciting plans, with plenty more in the pipeline!

- **IBC Membership for twisted Oaks** We want to encourage our members to try new things & we already have a significant number of gravel and MTB riders in the club. To encourage even more participation, IBC have purchased a 12 month Club Membership for Twisted Oaks, open to IBC members aged 16+ for anytime use completely free. Look out for more details on how to use this!
- **Group riding training** Safety & inclusivity is important to us all. So we have arranged group riding training funded by the club, which will take place across July & August at the new Northern Gateway cycle track. Ashley & Leanne Nixon will be arranging this and they'll be in touch soon with how to book onto the sessions.
- **Summer BBQ** We've missed each other, and this last year has been tough. So this year our summer BBQ will be free to all members. You only need to pay for drinks! The date is 29th August at Ipswich Sports Club looking forward to seeing you all there!
- **IBC @ Lee Valley Velodrome** Club events bring us together. So we'll once again be arranging a trip to the Lee Valley Velodrome in London. This time the club will be funding the hire of the track, all you'll need to pay for is your seat on the coach! Date is TBC but we'll be in touch!
- **Club Volunteering** is really important to the success of this club and we want to encourage more people to take part, and thank those that do. So we are introducing a volunteering reward. For those that significantly support any of our events, we'll give you a £10 voucher to a local bike shop of your choice as a thank you

We'll also be releasing a rolling 'Dates for your diaries' calendar so you know what's happening when.
