

WOLSEY ROAD CLUB

Details for Mick Pepper's Funeral

As you are all aware, Mick Pepper's funeral is being held on Thursday 28th at 12noon in Pershore, Worcestershire. Understandably this is a long journey for many people so Wolsey RC is hosting an event at which all club members, fellow cyclists and friends can view the funeral service in Pershore virtually and then you are welcome to stay on afterwards to enjoy some refreshments and talk with friends about your interactions with Mick. The hall has wi-fi, projector and a large screen so we will be able to sit and watch the funeral together.

The details are:

Venue: Martlesham Heath Pavillion Hall, The Drift, Martlesham Heath, IP5 3PL

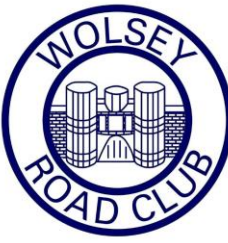

Date and Time: Thursday 28th August, arrive at 11.30 (funeral is 12noon prompt)

Dress Code: Anything. Cycle clothing will be especially welcomed (even better if you cycle there)

Wolsey RC will provide sandwiches, snacks and refreshments (tea/coffee and squash). No alcohol is allowed on-site.

Please email secretary@wolseyroadclub.co.uk so we know how many to cater for.

WOLSEY ROAD CLUB

Small print:

Please arrive between 11.20-11.45am, the funeral starts at 12noon so it would be good if everyone is seated and settled before it starts.

We would **love people to cycle** there and **be in cycling attire** but please be considerate and not mark the floor with your cleats.

There will be a bowl for collection, but please don't feel you have to contribute. Any money raised will go to the JustGiving site that Rachel and Sean, Mick's daughter and son, have nominated: Bikeability Trust and Blue Cross. Wolsey RC won't be taking any money for hosting this event.

If you think of anything that might work well please let us know by email: secretary@wolseyroadclub.co.uk, we are happy to consider suggestions.

Be aware that we have the hall until 4pm so need to be tidying up at 3:45pm at the VERY latest!

Most importantly, this is a time and space for you to show your respects, remember Mick and talk about your memories.
